Important Notice: **Mandatory Mail Order for Maintenance Drugs**

As previously announced, the Fund will require all maintenance medications be filled by mail order through LDI rather than in local pharmacies. This means that there will be important changes in how you fill and receive your prescriptions.

What are maintenance medications?

Maintenance medications are those drugs commonly used to treat conditions that are considered chronic or long-term. These conditions usually require regular, daily use of medicines.

How do I order a new prescription?

There are 2 options-

1. You can mail your prescriptions using the LDI Mail Order Drug Form that is located at www.ldirx.com or at www.d9trusts.org.
2. Your doctor can e-scribe or fax a new prescription to LDI at (314) 652-1126.

How do I refill my prescriptions?

You can order refills on maintenance medications via phone, mail or internet. Please make sure you order your refill 7-10 days prior to running out of medication.

- Phone

Call (800) 577-5302 for LDI's fully automated refill phone service. When you call, be ready to provide:

- ⇒ Participant Refill Number (s)
- ⇒ Participant's SSN or Member ID and Birthdate
- ⇒ Your Visa, Discover, or MasterCard number

- Mail

Record the refill numbers from your last prescription order on the LDI Mail Service Form. Enclose your payment with your order. While checks and money orders are accepted, LDI's preferred method of payment is by credit card. Mail the service form to LDI in an envelope.

How long does it take to receive my prescriptions?

The standard processing time at LDI pharmacy is normally less than 24 hours. This does not include delivery time. You can also pick up your prescriptions at LDI during normal business hours — Monday - Friday 8:30 a.m. - 6:00 p.m. CST and Saturday 8:30a.m.-1:30 p.m. CST.

How are the prescriptions delivered?

Medications are sent via United States Postal Service. They are shipped Monday through Saturday.

How can I pay for my prescription order?

LDI accepts all major credit cards, check, cash, or money orders.
